

Dante wall Plate has analog input and Dante digital input, analog line output and Dante digital output, analog input support phantom power supply and manual front gain adjustment.

Specifications:

Sampling Rate	48KHz
Phantom Power	48V
Frequency Response	20-20KHz
THD+N	≤0.005% @4dBu
Input Impedance	20kΩ
Output Impedance	100Ω
Channel Isolation	100dB @1k Hz
Common Mode Rejection	80dB @80 Hz
Maximum Line Input	20dBu
Maximum Line Output	11dBu
Floor Noise	-90dBu
Operating Power Supply	PoE
